<b>Sustainability</b>	<ul style="list-style-type: none"> <li>➤ PSA running in the paper to amass list of individuals/agencies that are willing to pledge/donate money to Hames. According to Curt, “significant amount of money” has been pledged.</li>   <li>➤ Still waiting on appraisal report, Lisa West (the new Russ) said she would inquire as to the status.</li>   <li>➤ Rotary Meeting, August 5, &amp; Chamber Meeting, August 6, went well. At Rotary had about 30 minutes of delivery and 20-20 minutes of questions, at Chamber only had 10 minutes for delivery. Focus of presentations was on social services use, not the individual. (See attached PP) The following are some of the questions that came up:               <ul style="list-style-type: none"> <li>○ How many people use the facility?</li> <li>○ What happens to the agencies if Hames closes and the pool is drained?</li> <li>○ How much does the fuel cost to heat the building?</li> </ul> </li>   <li>➤ Dan Parrent presented Biomass Heating Preliminary Feasibility Assessment. Looks like a reasonable option, would save ~\$140,000/yr.               <ul style="list-style-type: none"> <li>○ Manual Cord Wood—567 cords/yr @\$200/cord</li> <li>○ Automated Chip System—1,437 tons/yr @ \$80/ton</li> <li>○ “Start-up” cost ~\$700,000—payback in less than 5 yr in savings</li> <li>○ <b>Alternative Energy Grants</b> (80/20 grant)—encouraged to respond to RFP for pre-construction</li> </ul> </li> </ul>	<p>Informational</p> <p><b>John will get proper contact to Lisa</b></p> <p>Informational</p> <p>Informational</p>
<b>Next Meeting</b>	<p>Hames Task Force meeting</p> <p><b>August 14, 2008</b></p> <p><b>Noon</b></p> <p>Centennial Building</p>
